## Philosophy

---

At Crossroads Christian Preschool, we are dedicated to giving your child the best start on life by laying the foundation for a lifetime of learning. We advocate helping children develop personal integrity and enable them to think critically, work cooperatively, and solve problems creatively. Our curriculum provides experiences that enable children to make sense of what they are learning and to connect their knowledge to everyday life.

## Goals

---

- To provide an environment where children grow spiritually, physically, socially, emotionally, and intellectually.
- To instruct the children from a Christian and Biblical point of view, incorporating Bible stories and practices in Christian living.
- To nurture the children so they develop a positive self-concept and to equip them with the skills to build and broaden their interpersonal relationships.
- To provide a flexible program that includes a mixture of free play as well as planned activities.
- To develop skills in letter and sounds, simple phonic concepts, math, science, and social studies.

## Preschool Information

---

### Hours of Operation/Closings

The K4 program adheres to the Crossroads Christian School calendar. Please refer to the calendar at the back of the handbook or on the school website. The hours of operation are 7:50 a.m. – 3:00 p.m. Children should not arrive at school before 7:30 a.m. Children that arrive before 7:50 a.m. must report to the library. Lower School pick-up begins at 3:00 p.m.

Students not picked up by 3:10 p.m. will be sent to Mrs. Anderson's class for after-school care. After-school care is available for students throughout the year. Please contact the CCS office for more information or visit the school website.

### Substitute Staff

A list of substitute caregivers is kept on file in the event that not enough permanent staff can be present to maintain staff/child ratio. The list is compiled and maintained by the Director.

### Admissions

Children applying to the K4 program must turn four by August 31, 2016 to be admitted.

NOTE: Preschool students must be FULLY potty trained. "Pull-ups" are not allowed. Children must be completely independent in the bathroom. It is our experience that some children who are trained at home may not be ready to use these skills consistently in the school environment. Our aim is to keep open communication with parents, and we will notify you if your child is having problems in this area.

**Withdrawal from the Program**

Please notify your child’s teacher immediately if you plan to withdraw your child from the K4 program. Parents should refer to the CCS Student Handbook, Section 2.4 regarding the withdrawal procedures. (The Student Handbook is available on school website under Information menu.)

**Arrival and Dismissal**

Parents are responsible for transportation to and from school. When parking in the front of the building, please be mindful of other parents who are also delivering/picking up children. Please park so you are not blocking other vehicles. When you arrive at school, you should accompany your child into the school. **PLEASE DO NOT LEAVE YOUR CHILD UNATTENDED IN THE HALLWAY OR OTHER AREAS OF THE SCHOOL.** Children should be left in the appropriate classroom with a supervising teacher. ## 2016-17 CCS Preschool Handbook for K4

---

When dropping off and picking up your child from school, it is mandatory that you sign him or her in and out, noting the time and initialing it as well. You will find the sign in/out list by the door in the classroom. In addition to signing out your child, please be sure to communicate to the appropriate teacher in charge that your child is leaving. Often, there are messages or other forms of communication that may need to be shared with you.

Your child should arrive at school no later than 8:10 a.m. each day. In order for your child to fully participate, he or she should be here on time. Unexpected late arrivals throw a child off concerning lessons, nap, routines, etc.

If your child has an appointment and will be arriving late, please notify the teacher. Parents should also notify the school if their child will be absent.

### Conference and Visiting

We have an open door policy at our school and hope you will feel free to come into the classroom to visit. Parents are encouraged to attend special events during their child's preschool years, which include (but are not limited to):

- Parent Orientation
- Open House in the spring
- Doughnuts with Dads and Munching with Moms
- Grandparents' Day, Christmas Program
- Parent-Teacher Conference: as needed

Please e-mail or call your child's teacher to arrange a conference. Preschool Director and Teachers may be reached by calling the office at 252-431-1333.

### Personal Belongings

Each child will be given a cubby to store his or her personal belongings. Each child should provide:

- One blanket
- One small pillow
- One complete change of clothing (appropriate for the season).

Please be sure to label each item with your child's name.

Cubbies have been arranged to store teacher/parent correspondence and artwork on the bottom shelf. The top shelf will store the child's extra change of clothes and cot linens. The bottom half will store the child's coat, book bag, etc. We ask that parents check their child's cubby daily for things that need to go home. We appreciate your help in keeping the cubbies organized.

Parents should check cubbies often to make sure your child has an extra change of clothing at all times.

Your child should bring no gum or personal items such as toys or games to school. We welcome your child to bring a soft toy or blanket that he or she likes to sleep with during naptime. Please check with your child's teacher regarding bringing special items to share with the other children.

## **Nutrition Procedures**

Lunches can be brought from home or purchased from the CCS cafeteria for \$3.50. Please fill out and return the school lunch order slip each day your child is ordering lunch. A menu will be provided monthly and is available on the school website, as well as lunch order slips.

## **Snacks and Celebrations**

Parents are welcome to bring or send birthday cupcakes or any other special treats for your child's class on his or her birthday. Birthday celebrations are normally held during afternoon snack time. Please contact your child's teacher one week prior to the celebration. Please keep in mind any food allergies, if applicable. All food allergies are posted in the classroom.

We request that families refrain from having floral arrangements or balloons delivered to the school. It's often hard to explain at this age why such delivery is given to one child and not all. In the event a delivery is made, the child will be notified and the delivery will remain in the office until the end of the day.

## **Dress**

Children should wear washable, serviceable clothes to school each day. K4 students are not required to wear CCS wear. Dress-up clothes should be saved for Sunday or for Chapel Day. It is almost impossible to keep children clean during the day, as they are involved in such activities as painting, cooking, eating, playing outdoors, etc.

Please dress your child according to the weather, in clothing that he/she may handle somewhat independently. This practice is very helpful to the teacher during certain routines, such as restroom breaks, and fosters the child's development of self-help.

Tennis shoes or other closed-toe shoes are highly recommended for school. Sandals and flip-flops often prevent a child from fully participating in all activities.

Parents should also review section 8.2 in the Student Handbook regarding the General Dress Policies.

## **Field Trips**

We may have field trips scheduled during the school year. You will be notified in advance of each trip. You will receive a permission form to sign that will cover individual trips planned and supervised by the K4 staff. Your signature is required in order for your child to participate.

- Fall: Pumpkin Patch
- Winter: Disney on Ice or Circus
- Spring: Museum of Life and Science

## Medications

If your child requires medication while he/she is at school, the parent or guardian must complete and sign an authorization form for the staff to administer the medication. The medication must be in its original container. Prescription drugs may be administered only to that person whose name the physician has prescribed it for. Staff may not exceed dosage amounts indicated on the label unless the parent gives written indication on the medication form that a physician has instructed you to do so. Medicines should be labeled with your child's name. For sanitation purposes, we request that you bring in your child's individual measuring spoon/cup for administering the drug.

All medications are properly locked out of the children's reach in compliance with Sanitation Regulations and should be picked up/taken home when no longer being administered. Sanitation rules require that old medications be discarded if left behind. We reserve the right to refuse to administer any medication.

## Illness and Accidents

Do not send your child to school if he/she has shown evidence of diarrhea, vomiting, fever or any other illness in the past 24 hours. Report any contagious diseases (chicken pox, pink eye, strep throat, flu, etc.) to the teacher immediately.

If your child becomes ill at school, the classroom teacher will contact the parent/guardian. If there should be an accident involving your child, we will administer first-aid, and you will be informed immediately if professional medical attention is needed. Should you be unavailable, other names indicated on your child's application will be notified that the child needs to be picked up from school. We understand the problems a working parent could encounter; however, we are unequipped to handle sick/contagious children and appreciate your cooperation in seeing that they are picked up in a timely manner. Please keep your child's teacher informed of all phone number and email address changes.

A first aid kit is maintained in the both classrooms. For simple injuries not requiring medical attention, a supervising teacher or the Director will administer simple first aid. All staff members are certified in First Aid and infant/child/adult CPR.

## Fire Drills, Tornado Drills, and Lock Downs

Fire drills are held on a monthly basis. Severe weather drills are held several times a year. Lockdowns are held quarterly.

## Child Abuse Reporting

Crossroads Christian School complies with Statutory Authority G.S. 110-88 (3, (5); 110-101; 143B-168.1; 143B-168.3; (Effective January 1, 1986)

According to NC law, any person who has reason to believe a child is being neglected and/or abused must report his suspicions to the local department of Social Services. In cases of suspected child abuse or neglect, the staff that suspects a child may be neglected or abused will notify the CCS Director immediately. The CCS Director will:

1. Meet with the identified staff person to discuss the concerns.
2. Observe the child in the classroom setting.
3. Document any concerns.

If reporting is warranted, the Director will contact the Department of Social Services within 24 hours of receipt of the complaint. The Director and staff of CCS will cooperate in every way with any ensuing investigation. Any person can call the Division of Child Development at 1-800-859-0829 to make a report of suspected child abuse or neglect.

## Discipline and Behavior Management Policy

---

### Behavior and Discipline

Please support the staff in their efforts to instill appropriate self-discipline in each of our students. Habits and patterns established now will provide the foundation for successful schooling over the next thirteen years. Staff will contact you if parental support is needed in correcting misbehaviors.

**Learning takes place through positive interaction among children and adults.** Children are encouraged to behave appropriately through positive discipline methods such as:

1. Distraction, redirection, or provision of alternatives for inappropriate behavior
2. Praise, positive reinforcement, encouragement, and reward
3. Consistent rules, routines, limits, natural and logical consequences
4. Modifications to the classroom environment to attempt to prevent problems
5. Modeling of appropriate behavior
6. Listening to the children
7. Respecting needs, desires, and feelings of children
8. Ignoring minor misbehaviors
9. Explaining things to children on appropriate level
10. Using short, supervised time-out periods (see description of time-out)

### **No child shall be subjected to any form of corporal punishment:**

1. No child shall be handled roughly in any way, including shaking, pushing, shoving, pinching, slapping, biting, kicking, pulling, or spanking.
2. No child shall be placed in a locked room, closet, or box.
3. No discipline shall be delegated to another child.
4. Discipline shall in no way be related to food, rest, or toileting.
5. No food shall be withheld or given as a means of discipline
6. No child shall be disciplined for lapses in toilet training.
7. No child shall be made fun of, yelled at, or threatened. No sarcastic remarks will be made about children. Staff will use no profanity. No child will be verbally abused.
8. No child shall be left alone, unattended, or without supervision.
9. No families, parents, or ethnic groups shall be criticized, belittled, or made fun of.

### **“Time-Out”**

“Time-out” is the removal of a child for a short period of time (3 to 5 minutes) from a situation in which the child is misbehaving and has not responded to other discipline techniques. The “time-out” space, usually a chair, is located away from other activities but within provider’s sight. During “time-out,” the child has a chance to think about the misbehavior that led to his/her removal from the group. After a brief interval of no more than 5 minutes, the provider discusses the incident and appropriate behavior with the child. When the child returns to the group, the incident is over and the child is treated with the same affection and respect shown the other children.
