STATEMENT OF COOPERATION

STUDENT NAME(S) _____

GRADE(S) TO ENTER

1. Parents will pay tuition as stated on the CCS Contract. All transcripts and final report cards will be held until an account is paid in full. (Health records will be released upon request.)
2. We sincerely pledge our loyalty to the aims and ideals of the school and will bring all questions and criticisms directly to the administration so that they may be properly considered by those in authority.
3. Discipline is an aspect of a child's education. We give permission for our child(ren)'s teacher and/or administration to make and enforce school regulations and policies, including the Demerit System, in a manner consistent with Christian principles and discipline as set forth in Scriptures.
4. The school reserves the right to dismiss any student who does not cooperate with the educational process. CCS students are expected to abide by the standards and policies of our school both on and off campus. If dismissed, students may not be considered for re-admittance until they have completed the determined discipline.
5. Students new to CCS and those returning after a withdrawal are accepted on a probationary basis for the first nine weeks of attendance. We understand students are accepted on a general probationary status for the first quarter. We agree that we will in no case complain to other parents, but will register only necessary complaints with the teacher or administration following the Matthew 18 principle. We pledge our full cooperation to keep doctrinal controversy out of the school. We agree to support the school with our prayers and positive attitude. We understand that CCS has the right to dismiss students for lack of cooperation on the part of the student, parent and/or guardian.
6. We give permission for our child(ren) to take part in any and all school activities, class field trips, including sports and school-sponsored trips away from the school premises, and absolve the school from liability to us or our child(ren) because of any injury to us or our child(ren) at school or during any school activity. In the case of an emergency, we request that the school contact us first. If we are not available, please contact the designated emergency contact. If the emergency contact cannot be reached, the school has my permission to make whatever arrangements deemed necessary for our child(ren)'s treatment.
7. We understand CCS has a carpool procedure that ensures the safety of the students, and it is our responsibility to follow that procedure. If we need to pick up or drop off students during the school day, we will park in a designated space and avoid blocking the carpool lane.
8. I give permission for the school to release medical information to teachers and administrators. The school may also request and receive medical information from my child's physician.
9. I hereby grant CCS permission to use my son or daughter's photograph in print, electronic, and video formats or in other official CCS print publications and I acknowledge the school's right to appropriately crop/correct the photograph as needed.
