### CREATION VS EVOLUTION ONLINE DEBATE – FREE

---

Tuesday, February 4, at 7p.m., Bill Nye (The Science Guy - Evolution) will be debating Ken Ham (Answers in Genesis – Creation).

Is creation a viable model of origins in today's modern, scientific era? Leading creation apologist and bestselling Christian author Ken Ham is joined at the Creation Museum by Emmy Award-winning science educator and CEO of the Planetary Society Bill Nye.

Ham, a former science instructor who emigrated to the USA from Australia over 25 years ago, is joined by the popular children's program personality Bill Nye "the Science Guy" for this first and only scheduled debate. Each man delivers what he believes is the best information currently available for his case. Each then has an opportunity for rebuttal and afterward answers questions submitted by the audience.

The upcoming February 4 debate has already generated significant attention from national media, and tickets to attend live were completely sold out within two minutes of release.

Don't miss this "debate of the decade"! Watch at home or organize to show the live stream to your small group, your youth group, or even your entire church. This event may be freely re-broadcast to groups so long as no admission or other fees are charged to any participants or attendees.

The debate is to be held in the 900-seat Legacy Hall lecture arena at the [Creation Museum](#) (sponsored by [Answers in Genesis](#)). To register for the event, go to <http://debatelive.org/>.

### SNOW DAYS

---

The winter season is upon us, and to date we have missed two full days of school and have had three days where we started late or were released early. Anytime a school begins to miss numerous days, questions start arising about make-up days. With the days that we have currently missed, we are not to the point where we will need to make up any days. We will keep you informed regarding make-up days if we continue to have closings due to inclement weather, but we are not making up any days at this point.

### RE-ENROLLMENT UNDERWAY

---

Re-enrollment has begun and it runs through next Friday, February 7. Please contact the office if you did not receive a packet. Current families may re-enroll during this time for a reduced fee. New family enrollment begins on February 10.
