

2017 Junior/Senior Prom Dress Guidelines

The Crossroads Christian School Prom is Saturday, May 6. This is a formal occasion and a night to get dressed up. Please follow these guidelines for appropriate dress for this special evening. The guidelines apply to both CCS students and their dates.

GUYS:

Conventional dress suit or tuxedo with shirt and tie, dress shoes, and socks.

GIRLS:

Formal or semi-formal dress that is modest in neck, back, style, and fabric weight, including:

- No visible cleavage
- No slits more than two inches above the knee
- Not too tight

Strapless dresses are allowed if the neckline is straight across.

All dresses must be approved by Mrs. Anderson or Mrs. O'Steen at least one week prior to the prom (by Friday, April 28). If your dress selection changes before the big event, you must get the new dress approved as well. Please adhere to the established guidelines to ensure a stress-free and fun time at the prom!

Have fun shopping!
