Middle School Parents/Guardians,

It is hard to believe that the holiday season is upon us and midterm exams will take place in a few weeks! This letter is to inform you of what the middle school students will be doing during exam days, December 17-19. All middle school students will take midterm exams. Exams are an important part of upper school. We believe it will benefit students to become familiar with the process of taking an exam before they reach high school. Students will be given a study guide for each exam, and Thursday and Friday (December 13-14) are set aside for review. Exam week schedules for each grade level are listed below. **Please note that school is dismissed at 12:00 on Wednesday, December 19.**
