Crossroads Christian School Cafeteria Information

Food service is an important part of your child's school day. Studies have repeatedly shown that students who eat well do better in school. Our goal is to offer every student a nutritious, delicious, and well-balanced meal.

Plate Lunch Prices

Pre-K4-3rd grade.....\$3.75

4th grade & up.....\$4.25

Please see our price list for individual pricing and other available items.

NOTE: All items are not offered on a daily basis.

There are two options for payment:

1. **Online Payment:** A RenWeb (aka FACTS SIS) account is the preferred method. RenWeb allows your family to have an account to use for their lunch. This eliminates having to send cash money to school with your student.
A minimum of \$25 is needed to start an account. You are allowed to view what your student is eating with a RenWeb account. You also get to view your balance on line. This way you can send in money to add to the account at any time. The funds in this account are solely for the purchase food from the CCS cafeteria. The student is not allowed to take money out of the account for the vending machines, bake sales, etc.

****** Pay online *****

For your convenience, you can use "PayNow" option through RenWeb.
(Log in as parent, go to Family > Family Home > Family Billing)

2. **Cash or check:** Students may bring in check or cash to the front office or cafeteria to be placed on a student's RenWeb lunch account.
- All daily purchases need to be made through the use of funds on a student's lunch account. For the safety of everyone, the CCS cafeteria will not allow items to be purchased daily with cash. Funds need to be placed on account through either the online payment or by sending in a check or cash (minimum \$25 to open the account).
 - To place funds on a lunch account during Open House, please stop by the front office.
