

Crossroads Christian School
Preschool Handbook

Last Revision: 07/13/2020

Philosophy

At Crossroads Christian Preschool, we're dedicated to giving your child the best start on life by laying the foundation for a lifetime of learning.

We advocate helping children develop personal integrity and enable them to think critically, work cooperatively, and solve problems creatively.

Our curriculum provides experiences that enable children to make sense of what they are learning and to connect their knowledge to everyday life.

Goals

- ❖ To provide an environment where the children can grow spiritually, physically, socially, emotionally, and intellectually.
- ❖ To provide a flexible program that includes a mixture of free play and planned activities.
- ❖ To instruct the children from a Christian and Biblical point of view, incorporating Bible stories and practices in Christian living.
- ❖ To nurture the children so they develop a positive self-concept and to equip them with the skills to build and broaden their interpersonal relationships.

Preschool Information

Hours of Operation/Closings

Preschool is open Monday through Friday, August 13, 2020 – July 30, 2021.

Preschool will be closed on any holiday designated by the school's calendar.

The following holidays are regularly observed:

- Labor Day
- Thanksgiving
- Christmas
- Martin Luther King, Jr.'s birthday
- President's Day
- Spring Break
- Easter
- Memorial Day
- July 4th: closed June 29th-July 3rd

The hours of operation are 7:30 a.m. – 5:30 p.m.

No child should remain at school for longer than 9 hours, and we strongly recommend no more than 8 hours a day, when possible. Children should not arrive at school before 7:30 each morning, nor should they be left after 5:30 p.m. There will be a \$5.00 per minute late fee charged if a child is left beyond 5:30 p.m.

Substitute Staff

A list of substitute caregivers is kept on file in the event that not enough permanent staff can be present to maintain staff/child ratio. The list is compiled and maintained by the Director.

Age Range of Children Served

Child must turn 2 by February 16, 2020 to enter the preschool program.

Children entering at 30 months will stay in the preschool program for 2 years.

2 1/2's Potty Training Policy: Children do not need to be fully potty-trained for this class although we do encourage that the process has begun (especially since most pre-school classes for 3 and 4 year olds require it). Therefore, we do change pull-ups as the need arises during class time. We ask that you keep a full change of clothes in your child's backpack or cubby at all times. Pull-ups and wipes need to be provided. We will notify you when your child is running low.

3's Potty Training Policy: Although children do not need to be fully potty-trained for this class it is a requirement that they be actively training. Pull-ups are not allowed. The child must be able to notify us when they need to use the bathroom. Potty training is a tough process for some and may take more time than with others. We are willing to help you with this process. Our aim is to keep open communication with parents, and we will notify you if your child is having repeated problems in this area.

Financial Information

Note: ALL fees and payments are non-refundable and non-transferable.

ENROLLMENT FEE: (Not included in tuition fees):	TUITION PRICING		FEES
\$250.00 Due upon enrollment/re-enrollment	\$7290.00 12 months All meals provided and after-care	Please call if you have questions about Tuition	Book: \$125.00 Due by: July 1 Technology Fee: \$100 Due by: Aug. 1
PAYMENTS: 2 methods Pay in full before the first day of school (3% discount) OR FACTS drafts are made on the 5 th and 20 th of each month <i>Returned Check Fee: \$35.00- payments made to the school or through FACTS</i>	*10-month tuition does not include summer. Last day for 10 month is the last day of school.		
	HOURS		
	7:30 a.m. – 5:30 p.m.		
	There will be a \$5.00 per minute late fee charged if a child is left beyond 5:30 p.m. closing.		

Admission Requirements and Enrollment Procedures

Students should have the following forms on file in order for the registration process to be complete:

- Application (online application)
- Emergency Contacts form (online application)
- Birth Certificate
- Immunization Record
- Health Exam form (completed by parent and physician)
- Student Health form (online application)
- Signed Discipline Policy (online application)
- Signed Handbook form (online application)

These forms are available for parental inspection upon request. School personnel must make copies of original documents. We cannot accept copies made by parents or other individuals. Parents/Guardians are informed of their child's placement after interview or by phone call.

Withdrawal from the Program

Please notify your child's teacher immediately if you plan to withdraw your child from the Pre-K program.

Parents should refer to Section 2.4 of the school's Student Handbook regarding withdrawal procedures (available online at www.ccscolts.org under Information).

Arrival and Dismissal

Parents are responsible for transportation to and from school. When parking in the front of the building, please be mindful of other parents who are also delivering/picking up children. Please park so you are not blocking other vehicles. When your child arrives at school, you should accompany him or her in to the school. **PLEASE DO NOT LEAVE YOUR CHILD UNATTENDED IN THE HALLWAY OR OTHER AREAS OF THE SCHOOL.** Children should be left in an appropriate classroom with a supervising teacher. Please make sure that adult working is aware that your child has arrived.

When dropping off and picking up your child from school, it is mandatory that you sign him or her in and out, noting the time and initialing it as well. You will find the sign in/out list by the door in the classroom. In addition to signing out your child, please be sure to communicate to the appropriate teacher in charge that your child is leaving. Often, there are messages or other forms of communication that may need to be shared with you.

Your child should arrive at school no later than 8:30 a.m. each day. In order for your child to fully participate, he or she should be here on time. Unexpected late arrivals throw a child off concerning nap, routines, etc.

If your child does have an appointment and will be arriving late, please notify your teacher or director. Parents should also notify the school if their child will be absent.

Conference and Visiting

We have an open door policy at our school and hope you will feel free to come into the classroom to visit. Parents are encouraged to attend special events during their child's preschool years, which include (but are not limited to):

- Open House in August
- Grandparents Day
- Doughnuts with Dads
- Munching with Moms

Please e-mail or call your child's teacher to arrange a conference. The preschool director and teachers may be reached by calling the office at 252-431-1333.

Personal Belongings

Each child will be given a cubby to store his or her personal belongings. Each child should provide one fitted sheet (preferably crib sheet), one blanket, a small pillow, and a complete change of clothing (appropriate for the season). Please be sure to label each item properly with his/her name.

Cubbies have been arranged to store teacher/parent correspondence and artwork on the bottom shelf. The top shelf will store the child's extra change of clothes and cot linens. The bottom half will store the child's coat, book bag, etc. We ask that parents check their child's cubby daily for things that need to go home. We appreciate your help in keeping the cubbies organized.

Parents should check cubbies often to make sure there is an extra change of clothing at all times.

Your child should bring no gum or personal items such as toys or games to school. We welcome your child to bring a soft toy or blanket that the child likes to sleep with during naptime. Please check with your child's teacher regarding bringing special items to share with the other children.

Snacks and Celebrations

Parents are welcome to bring or send birthday cake or any other special treats for your child's class on his or her birthday. Birthday celebrations are normally held during afternoon snack time. Please contact your child's teacher one week prior to the celebration. Please keep in mind any food allergies, if applicable. All food allergies are posted in the classroom.

We request that families refrain from having floral arrangements or balloons delivered to the school. It's often hard to explain why such delivery is given to one child and not all. In the event a delivery is made, the child will be notified and the delivery will remain in the office until the end of the day.

Nutrition Procedures

Student meals are provided through the CCS Cafeteria. All meals are planned and are well balanced. If your child has special dietary concerns, speak with his or her teacher. Accommodations may be made for students with special dietary needs. A menu will be provided monthly and is available on the school website, but it will also be posted in the classroom on a weekly basis.

Dress

Children should wear washable, serviceable clothes to school each day. K-3 students are not required to wear CCS wear. Dress-up clothes should be saved for Sunday or for Chapel Day. It is almost impossible to keep children clean during the day, as they are involved in such activities as painting, cooking, eating, playing outdoors, etc. Please dress your child according to the weather.

Please dress your child in clothing that he/she may handle somewhat independently. This is very helpful to the teacher during certain routines, such as restroom breaks. This also fosters to the child's development of self-help.

Tennis shoes or other closed toe shoes are highly recommended for school. Sandals and flip-flops often prevent a child from fully participating in all activities.

Parents should review Section 8.2 of the school's Student Handbook regarding the general dress code guidelines (available online at www.ccscolts.org under Information).

Field Trips

We may have field trips scheduled during the school year. You will be notified in advance of each trip. You will receive a permission form to sign that will cover individual trips planned and supervised by the preschool staff. Your signature is required in order for your child to participate.

Illness and Accidents

Do not send a sick child to school.

We request that you do not send your child to school if he/she has shown evidence of diarrhea, vomiting, fever, or any other illness in the past 24 hours. Report any contagious diseases (chicken pox, pink eye, strep throat, flu, etc.) to the teacher immediately. If there should be an accident involving your child, we will administer first-aid. You will be informed immediately if professional medical attention is needed.

If your child becomes ill at school, the classroom teacher will contact the parent/guardian. Should you be unavailable, other names you have indicated on your child's application will be notified that the child needs to be picked up from school. We understand the problems a working parent could encounter; however, we are unequipped to handle sick/contagious children and appreciate your cooperation in

seeing that they are picked up in a timely manner. Please keep your child's teacher informed of all phone number and email address changes.

A first aid kit is maintained in the both classrooms. For simple injuries not requiring medical attention, a supervising teacher or director will administer simple first aid. All staff members are certified in First Aid and infant/child/adult CPR.

Medications

If your child requires prescription medication while he/she is at school, the parent or guardian must complete and sign an authorization form for the staff to administer the medication. The medication must be in its original container. Prescription drugs may be administered only to that person for whom the prescription was written. Staff may not exceed dosage amounts indicated on the label unless the parent gives written indication on the medication form that a physician has instructed you to do so. Medicines should be labeled with your child's name. For sanitation purposes, we request that you bring in your child's individual measuring spoon/cup for administering the drug.

All medications are properly locked out of the children's reach in compliance with Sanitation Regulations and should be picked up/taken home when no longer being administered. Sanitation rules require that old medications be discarded if left behind. We reserve the right to refuse to administer any medication.

Fire Drills, Tornado Drills, and Lock Downs

Fire drills are held on a monthly basis. Tornado drills are held several times a year. Lockdowns are held quarterly.

Child Abuse Reporting

Crossroads Christian School complies with Statutory Authority G.S. 110-88 (3, (5); 110-101; 143B-168.1; 143B-168.3; (Effective January 1, 1986)

According to NC law, any person who has reason to believe a child is being neglected and/or abused must report his suspicions to the local department of Social Services. In cases of suspected child abuse or neglect, the staff member who suspects a child may be neglected or abused will notify the CCS Preschool Director immediately. The CCS Preschool Director will:

1. Meet with the identified staff person to discuss the concerns.
2. Observe the child in the classroom setting.
3. Document any concerns.

If reporting is warranted, the Director will contact the Department of Social Services within 24 hours of receipt of the complaint. The Director and staff of CCS will cooperate in every way with any ensuing investigation. Any person can call the Division of Child Development at 1-800-859-0829 to make a report of suspected child abuse or neglect.

Discipline and Behavior Management Policy

Behavior and Discipline

Please support the staff in their efforts to instill appropriate self-discipline in each of our students. Habits and patterns established now will provide the foundation for successful schooling over the next thirteen years. Staff will contact you if parental support is needed in correcting misbehaviors.

Learning takes place through positive interaction among children and adults.

Children are encouraged to behave appropriately through positive discipline methods such as:

1. Distraction, redirection, or provision of alternatives for inappropriate behavior
2. Praise, positive reinforcement, encouragement, and reward
3. Consistent rules, routines, limits, natural and logical consequences
4. Modifications to the classroom environment to attempt to prevent problems
5. Modeling of appropriate behavior
6. Listening to the children
7. Respecting needs, desires, and feelings of children
8. Ignoring minor misbehaviors
9. Explaining things to children on appropriate level
10. Using short, supervised time-out periods (see description of time-out)

No child shall be subjected to any form of corporal punishment:

1. No child shall be handled roughly in any way, including shaking, pushing, shoving, pinching, slapping, biting, kicking, pulling, or spanking.
2. No child shall be placed in a locked room, closet, or box.
3. No discipline shall be delegated to another child.
4. Discipline shall in no way be related to food, rest, or toileting.
 - a. No food shall be withheld or given as a means of discipline
 - b. No child shall be disciplined for lapses in toilet training.
5. No child shall be made fun of, yelled at, or threatened. No sarcastic remarks will be made about children. Staff will use no profanity. No child will be verbally abused.
6. No child shall be left alone, unattended, or without supervision.
7. No families, parents, or ethnic groups shall be criticized, belittled, or made fun of.

“Time-Out”

“Time-out” is the removal of a child for a short period of time (3 to 5 minutes) from a situation in which the child is misbehaving and has not responded to other discipline techniques. The “time-out” space, usually a chair, is located away from other activities but within provider’s sight. During “time-out,” the child has a chance to think about the misbehavior that led to his/her removal from the group. After a brief interval of no more than 5 minutes, the provider discusses the incident and appropriate behavior with the child. When the child returns to the group, the incident is over and the child is treated with the same affection and respect shown the other children.

I, the undersigned parent or guardian of _____
(Child’s full name) do hereby state that I have read and received a copy of the facility’s Discipline and Behavior Management Policy and that the facility’s director/coordinator (or other designated staff member) has discussed the facility’s Discipline and Behavior Management Policy with me.

Date of Child’s Enrollment _____

Signature of Parent or Guardian _____

Date _____

Distribution: Signed copy in child’s facility record and parent copy is contained in Student Handbook

Cancelled Classes

Preschool will follow the school calendar as closely as possible. If school is cancelled due to bad weather, then preschool is also cancelled.

Teacher Workdays

Please note the dates on the school calendar provided by your child's teacher.

School Closed

If the school is closed for any reason, neither staff nor students report to school.

Inclement Weather:

In the event of inclement weather necessitating the closing or delay of school, it will be communicated on the school's web page, Twitter, and Facebook page, the school's voice mail, and the following local media channels:

WRAL: Channel 5
WTVD: Channel 11
News 14: Channel 14
NBC: Channel 17

SHOULD INCLEMENT WEATHER OCCUR AFTER SCHOOL HAS BEGUN

- Please listen to the local media for announced school closings.
- Your child's teacher will notify you by phone. At that time please make arrangements for your child to be picked up.

Curriculum & Daily Activities

A balanced curriculum for preschool children includes the following areas:

1. **Gross motor skills** – running, skipping, hopping, and throwing
2. **Fine motor skills** – finger plays, drawing, coloring and cutting
3. **Language** – verbal communication, storytelling, repeating, making sounds, show and tell, rhyming, forming sentences, phone conversations and pre-reading
4. **Math** – counting, one-to-one correspondence, sets, likes/differences, sorting, matching, categorizing
5. **Social Skills** – sharing, trading, playing, discussing manners, politeness, caring for others, respecting property, parallel play, playing together, child/child, child/adult
6. **Life Skills** – health and safety, dressing, name, phone number, parents' names, address
7. **Music** – singing, dancing, and dramatic play
8. **Art** – process more important than product
9. **Science and nature** – light/dark and shadows, things that float, things that grow, and living and non-living things

Units and themes that are developed in preschool will draw from these areas. Many activities will center on holidays and seasons. All will be designed to draw from the child's experiential background while also exposing him/her to the wonder of new and different experiences.

Volunteer Opportunities

Volunteer involvement is critical to Crossroads Christian School's overall effectiveness. Family members can get involved through the Booster Club, fundraising, chaperoning, classroom activities, office help, and other opportunities. CCS will conduct background checks on all volunteers who are in direct supervision of students or athletes. Background check records will be kept on file in the school office. Contact the office for further information about volunteer opportunities.
