August 31, 2023

Continue to remember our theme of gratitude as we move into September!

"It has been the best start to the school year for me in years. I am so grateful for my classes and students – we're off to a great start!"

-- Dina Martin
Upper School Teacher

Picture Day – September 6!

September 6 is Fall Picture Day. We will be taking Fall Individuals, Senior Tux & Drape, Senior Sports Posters, and Fall Sports Pictures. All students and staff will be photographed, as these pictures will go in the yearbook. A makeup day is scheduled for December 6. Please contact Mrs. Pegram in the office if you have any picture-related questions at bpegram@ccscolts.org.

Lunch Reminders

The cafeteria is closed on Thursdays and Fridays every week. Please either order Jersey Mike's or Chick-fil-A by each Monday or make sure you send a packed lunch with your student on those days.

Outside food, including fast food, cannot be brought in for students to pick up from the front office, even on Thursdays and Fridays, per the CCS Student Handbook.

Easy Ways to Help Your School

Several companies have educational programs that allow you to link to our school, providing a percentage of your purchases as a donation to CCS.

Check out these two from our school website, under the News & Support menu (<http://www.ccscolts.org>):

- [Harris Teeter – Together in Education \(TIE\)](#) – link your VIC card to our school.
- [Box Tops for Education](#) – It's digital now! No more cutting out box tops from products.

Student Parking Passes Required Yearly

All CCS students who drive to school must purchase a new parking pass each year. The cost is \$25. This is an important safety issue that could be helpful in the event of an emergency. Forms are available in the school office and on our website, www.ccscolts.org, under the Information menu > Handbooks and Forms. If you have any questions, please contact Mrs. Pegram at bpegram@ccscolts.org.

- Students leaving early or arriving late for a medical or dental appointment must supply a provider's note for the absence to be excused.

Our lower school classes have been enjoying the new Gaga Pit and playing Gaga Ball. GaGa Ball was invented in Israel. The word Ga in Hebrew means "to hit or to strike."

Car Pool Tips 🚗 🚗 🚗

- Student ID tags need to be visible to teachers for pickup. Attach tags to visor and swing visor down when you come through – that’s the easiest place for carpool workers to see it. Please leave your tag up and visible until after your child is loaded in the car.
- Use school-issued ID tags only. Do not make your own. If you need another one, contact Mrs. Pegram (bpegam@ccscolts.org).
- Follow the staff’s directions in moving forward. Don’t stop when you see your student – go forward as directed to keep the line moving for all. Your student will come to you.
- **Continue using the crosswalk during morning carpool – anyone crossing (student or adult) must use the crosswalk!**
- Do not park on or stop across the crosswalk at any time. Leave it open for pedestrians.
- If your child gets out of the vehicle before arriving at the end of the sidewalk, and you decide to go around the car in front of you, please be very cautious and move forward slowly as you pass.
- Please do not wait until your student enters the building to pull forward in the line. We have several teachers who are watching to make sure students are getting into the building safely. We know you wish to watch them enter the building, but this creates a backup in the progression of unloading other students.
- If your child is asleep when you approach the carpool line, please park in the middle lot to give yourself time to wake him/her up and then rejoin the carpool line.
- Be extra cautious on mornings when the sun is directly shining in your front windshield. The glare from the sun can be a huge hindrance to your line of sight. No walk-ups are allowed during pick up. Drivers must stay in line. Please plan to pick up by 2:30 p.m. if a student needs to be dismissed early for an appointment.
- If you need to buckle in your child(ren), please park in an open space and do not hold up the line from moving.

NOTE: Please don’t pull around cars that are stopped in front of you unless directed by a staff member. Sometimes students get out on the driver’s side, and pulling around may put them in danger.

Thank you for being courteous to our staff as they work diligently to make our carpool line run as smoothly as possible. Following our guidelines not only makes our carpool efficient but also safe for all of us!

House Updates!

House Sorting Day for the upper school was **August 24**, our first upper school chapel, and it was a great day! Each House has gotten new members that will bring gifts and talents to the table, and our leaders created PowerPoints and videos to introduce their House and what they wanted to accomplish this year. It was fantastic!

- House Council will have its first fundraiser at the soccer games on **August 31** by selling concessions at the 4:00 p.m. and 5:30 p.m. games and will also sell concessions **Sept 7, Sept. 22, and Sept. 29** at both the 3:30 p.m. and 5:00 p.m. games.
- House Council is also sponsoring a **FALL COLTS COMMUNITY SALE**. Everyone who had spaces at the spring event had great success! The event will be held Saturday, September 30 from 7:30 a.m. until 2:00 p.m. Set-up begins at 6:30 a.m., and spaces are **\$25** for one and **\$40** for two (space = 1 parking space in our lot). Proceeds go toward the House System.

Registration is currently open and will close September 27. (See the flyer at the end of the newsletter.) This year vendors will be able to sign up for Remind texts to keep them updated with the latest information about the community sale; after they register, vendors will receive instructions on what to do.

God has given us all incredible gifts and resources, and he has prepared good works for us to do. May we use them to love him and others, leaning on Christ for the strength to do so.

This year teachers will be looking for opportunities to give points to students for the following reasons as we work to encourage our students to honor God and others with everything He has created them to be. Houses are in competition throughout the year for the highest number of points.

Heart	Soul	Mind	Strength
<ul style="list-style-type: none"> • Demonstrates a heart for worship. • Complete spiritual challenges. • Follow Christ/Show Christlikeness. • Apply biblical principles to everyday life. • Trust God's sovereignty/will. • Direct your life with biblical Truth. 	<ul style="list-style-type: none"> • Love others as yourself. • Stand for Truth-Christ over Culture. • Live with a Biblical worldview. • Serve others (generosity, compassion). • Work diligently. • Demonstrate Honesty and integrity. • Show Leadership and teamwork. 	<ul style="list-style-type: none"> • Academic excellence/achievement. • Accept intellectual/academic challenges. • Solve problems and think/reason critically. • Make wise choices/decisions. • Demonstrate Fruit of the Spirit. • Serve the local church. • Demonstrate a growth mindset (academically, spiritually). 	<ul style="list-style-type: none"> • Athletic excellence/achievement. • Use resources to help others and for Kingdom purposes. • Use Spiritual gifts for Kingdom purposes. • Maintain healthy habits. • Fulfill the Great Commission (make disciples). • Demonstrate school spirit. • Complete health challenges.

First Week Chapels!

College Counselor's Notes

Reminders about the SAT or ACT – Any grade level can take these college entrance tests; however, the recommended cycle is once late in the junior year and once again early in the senior year, but students take them earlier sometimes for the practice or take them multiple times to increase scores for scholarship programs or for college admissions. Check with your college of interest this year to see if it is requiring test scores; some colleges and universities are test-optional for this year's applicants.

- ❖ **ACT:** The next ACT is October 28. Register by September 22. Explore the ACT website to find out all test dates, read news about how COVID-19 is affecting testing, sign up for email tips and news from the ACT, and use free test prep and college planning resources.
www.act.org
- ❖ **SAT:** The next SAT is October 7. Register by September 8. For full practice tests, access to Khan Academy tutorials, & college and career exploration tools, visit the SAT home page at <https://collegereadiness.collegeboard.org/sat>.

This year, all juniors will take the ACT during the spring semester at school.

CACRAO College Fair: The senior and junior classes will be attending the CACRAO College Fair on Wednesday, September 27 at Vance-Granville Community College. The Carolinas Association of Collegiate Registrars & Admissions Officers (CACRAO) sponsors this college fair.

College Visits: Google for traditional and virtual tour information in your area or visit the website of your college of interest for touring information. If you and your child visit a college during the week, submit a Campus Tour form to have the absence at school excused. (This form is on our website under the Info > [Handbooks and Forms](#) menu and in the "Seniors-All the Things" OneNote that all seniors can access via their Office 365 account.)

Scholarships – Your Opportunities for Free Money for College:

- College Board launched the College Board Opportunity Scholarships in 2019, a new program that guides students through the college planning process and offers them a chance to earn money for college while completing important steps along the way. More than 4,000 students each year will earn between \$500 and \$40,000 in scholarships. The more effort you put in, the more chances you get to earn a scholarship ranging from \$500 to \$2,000. If you complete all six steps, you're eligible to earn a \$40,000 scholarship. Scholarships are awarded—through monthly drawings—to students who complete each step. Visit the website for information about [College Board Opportunity Scholarships](#).
- **National databases** for scholarships are available, such as Fastweb, Peterson's, Cappex, and Sallie Mae, but don't forget to Google for **local businesses** that offer scholarships in your area. Examples include your civic groups (like the Kiwanis), your electric cooperative (like Wake Electric in Wake Forest), businesses (like Chick-fil-A for its employees), etc.
- Each **college** will have scholarships available through its financial aid office, too. Alumni often give back to certain departments or areas of their university to help future students – these are called endowments. For example, there might be one or more endowment scholarships for students applying to the Business Management program at a school.
- And don't dismiss **community colleges** – they have scholarships for incoming freshmen for both their career-aimed degrees as well as their college transfer programs (now the largest enrollments in the state because of the economy of saving high college costs for the first two years before finishing a four-year degree at a university). If you are considering a community college, check with its financial aid office for information.

- If you are a member of a **school club** like the National Honor Society, Beta Club, or Student Council, browse those websites for information about scholarships they offer each year.
- Check out **unusual scholarships**. You could win a scholarship if you are a certain height or left-handed or have a creative use for the Klingon language from *Star Trek*, for example. You can find those “weird” scholarships at <https://lendedu.com/blog/weird-scholarships/>.

Finally, as you do your research, figure out if you can reuse essays or personal statements for multiple scholarships. And... **watch out for scams, too**. Check out the tips at this College Board page to learn how to spot possible scholarship scams: <https://professionals.collegeboard.org/guidance/financial-aid/scams>.

CFNC.org > A North Carolina Treasure of Information!

If you are considering applying to North Carolina colleges, including community colleges, be sure to explore the website for the **College Foundation of North Carolina (CFNC)** for information about scholarships, grants, and loans...pretty much any way you can imagine to pay for college.

Visit <http://www.cfnc.org> and look under “**Pay for College**.” The first step in applying for any type of financial aid is the Free Application for Federal Student Aid (FAFSA), and CFNC has informative videos and resources for students and parents to help them fill that out. Spend some time on CFNC.org and find out more about College Application Week (Oct 16-20) – during this week, many NC colleges will waive their application fees. That list of colleges will be released October 1.
