

CCS Summer Reading Log

Name: _____ Grade: Rising 3rd

Students have grown so much in reading throughout this school year. In an effort to continue this growth in reading over the summer months, students are being challenged to participate in a voluntary summer reading program.

Students who read **2 chapter books** or **10 picture books** will receive an extra credit grade of 100 in reading for the first quarter. More importantly, these students will receive the benefit of beginning third grade at a strong reading level. We hope that you will work with your child to complete this reading program. Please complete the reading log as books are read this summer and turn it in to your third grade teacher at the beginning of next school year.

Any books that are on your child's reading level would be appropriate for summer reading.

This reading log is due on the first day of school! Have a great summer!
