Volunteer Policy

Parent involvement is critical to Crossroads Christian School's overall effectiveness. Parents can get involved through the PTSF (Parent-Teacher-Student Fellowship, the organization that supports Crossroads). Parents can also volunteer through fundraising, volunteering, chaperoning, assisting with classroom activities, working in the office, and other opportunities. Contact the school office for further information.

Classroom Parent Volunteers

Classroom teachers organize their classroom parent volunteers. Parents may sign up with teachers to help with fundraising, field trips, class parties, or other volunteer activities. Teachers notify parents and the front office when parents are scheduled to volunteer in their classrooms. Parents may not volunteer unless prior arrangements have been made with the classroom teachers.

Office Parent Volunteers

The school receptionist organizes office parent volunteers.

Library Parent Volunteers

The school librarian organizes library parent volunteers.

Athletic Parent Volunteers

The Athletic Director organizes athletic parent volunteers to assist in the school concession stand, ticket sales counter, or other fundraising activities. Volunteer needs and contact information are posted on the school website throughout the year.
